## EXPERIENCE

### **Bay Crest Care Center, Torrance, CA —Dietary Aid**

JUNE 2024 - JANUARY 2025

Was in charge of following order tickets for residents and needed to be precise in order to follow their diets and avoid feeding them food that they are allergic to. Had to operate dish cleaning equipment to sanitize: trays, ceramic plates, plastic lids and covers, cups, and any other dishware we used to prepare resident's tickets. Had to keep all food dates in check and throw anything that was past "Use by" dates.

### **Big Blue Bus, Santa Monica, CA — Janitor**

OCTOBER 2023 - MAY 2024

Had to follow a time frame of cleaning certain parts of the buildings. Utilized special cleaning equipment to deep clean areas like industrial steamers to clean different floors materials (carpet and hard floors). Chemicals were used to sanitize restrooms and offices.

### **Carl's Jr, Torrance, CA — Crew Member**

MARCH 2021 - JULY 2023

A few things that I did were to make sure the store was clean for both the customer and for the employees. Use a variety of chemicals to sanitize the lobby and anything else that requires cleaning. Also, I was in charge of satisfying customers' needs such as taking their orders and completing/preparing their orders.

## EDUCATION

### **El Camino College, Torrance, CA — Associate in Science**

August 2024 - June 2027

Doing part-time schooling in order to have time to work and study and also attempting to recover courses that set me back during the pandemic
